

THE 100 CLUB IS COMING

Sylvia Stride, ROAR Treasurer, introduces the new 100 Club

As revealed in the last Rousdoner, the 100 Club will be launched on 1 April 2014. All owners and residents on the Rousdon Estate are now automatically members of the Rousdon Owners and Residents Association known as ROAR whose committee works voluntarily on everyone's behalf to enhance our pleasure of living on the estate and to liaise with REM Ltd with regard to maintenance of the estate, etc. Membership of ROAR is now free but funds are needed to cover the running costs of the Association, insurance, activities, administration costs and the like. A 100 Club seems to be the best way to do this whilst at the same time offering all members participating a good chance of winning prizes. Any excess money will be used to benefit the owners and residents of the estate as decided by ROAR.

This is how the 100 Club will work. For £6 per quarter, payable annually by the 31st March, you will be allocated a number which you keep all the time you are a 100 Club member. Members may hold more than one number. Membership is open to all owners, residents and guests providing they join whilst visiting the estate.

Draws will be held quarterly at ROAR Committee meetings and all members will be entitled to attend. At least 50% of all the money raised will be given in three prizes each quarter. Prize money will depend on how many members join the 100 Club but the illustrative table below gives some idea about the value of prizes:

No. of Member tickets	1 st Prize quarterly	2 nd Prize quarterly	3 rd Prize quarterly
50	£75	£50	£25
100	£150	£100	£50
150	£225	£150	£75
200	£300	£200	£100

The 100 Club will comply with the rules of the Gambling Act 2005 (amended by Regulation 2007) for a Private Society Lottery.

A letter with an application form explaining how to join the 100 Club along with the full rules of the Club will be sent out during March. Remember the chances of winning a prize are far higher than winning comparable prizes in the National Lottery! We hope you will all want to join.
